

ADMIN & WORKSHOP OPERATIONS MANUAL

Meera Bhawan Chauraha, Pratapgarh, Uttar Pradesh

1. Admin Portal Navigation Overview

The Admin Console (/admin) allows founders and authorized workshop staff to manage enquiries, track production jobs, generate invoices, publish new products, and configure system settings.

Module	Route	Key Operations
Dashboard	/admin	Quick KPI metric cards, recent leads, quick actions.
Enquiries / Leads	/admin/enquiries	View customer measurements, budget, contact method, assign staff.
Orders & Production	/admin/orders	Update fabrication stages and send 1-click WhatsApp alerts.
Content Hub & Media	/admin/content	Upload photos/videos up to 50 files; 3-step verified asset deletion.
Tax Invoices	/admin/invoices	Issue official GST invoices and payment receipts.
Team Directory	/admin/team	Manage founder records and internal technician assignments.

2. Dispatching Live WhatsApp Status Alerts

STEP 1 Open /admin/orders.

STEP 2 Locate the customer's active order row.

STEP 3 Click the green "  **Send WhatsApp Update**" button.

STEP 4 WhatsApp opens with pre-formatted professional production copy detailing the Order ID, current stage (e.g. *Under Precision Workshop Fabrication*), and estimated handover date.

3. Content Publishing & 3-Step Verification Media Deletion

To maintain website asset integrity, image deletion requires strict 3-step authorization:

3-Step Deletion Protocol in /admin/content:

1. **Visual Confirmation:** Click "  Delete Asset" to review thumbnail and URL.
2. **Risk Acknowledgment:** Check the confirmation box acknowledging permanent removal.
3. **Security Keyphrase:** Type DELETE in capital letters to activate the red destruction button.

4. Security & Access Control Guidelines

- **Role Authorization:** SUPER_ADMIN has full rights; ADMIN handles orders and content; STAFF handles daily enquiry follow-ups.
- **Zero Fake Transactions:** Dummy payments are disabled; all financial records must tie to real issued invoices.
- **Public Contact Numbers:** Keep public contact lines strictly limited to Co-Founders (**8795662161** & **7007710096**).
